Retention Priority Split

At-Risk Retention Priority Split

JobRole	Critical Priority	High Priority	Medium Priority
Healthcare Representative		3	34
Human Resources	7		12
Laboratory Technician	32	5	56
Manager		3	24
Manufacturing Director		5	30
Research Director		3	17
Research Scientist	55	7	53
Sales Executive		7	76
Sales Representative	20	63	
Total	114	96	302

Recommended Retention Strategy

- Prioritize low-income employees working overtime for compensation and workload review.
- Reduce avoidable overtime through staffing and workload balancing.
- Strengthen onboarding and mentorship for 0–1 year tenure employees.
- Create role-specific retention plans for Sales Representatives and high-risk job roles.
- Monitor job satisfaction and work-life balance as early warning indicators.
